ABOUT ME

Motivated Hospitality Management student with leadership experience as a Store Manager at 7-Eleven. Skilled in customer service, communication, and organization, with proven ability to manage tasks and solve problems. Experienced in digital tools such as Google Docs, Sheets, Trello, and email platforms. Adept at inbox management, scheduling, and data entry. Quick to learn new systems and committed to delivering reliable, professional service in a remote environment. Seeking to transition into Virtual Assistant roles to support clients with administrative and digital tasks.

WORK EXPERIENCE

Nov 2025- Present

7-Eleven, Inc

STORE MANAGER

Key Responsibilities

- Managed inboxes by sorting, replying, and organizing emails to ensure smooth communication across departments, including Area Managers, District Managers, and IT support.
- Tracked individual and team tasks, monitored projects and sales reports, and suggested strategies to achieve performance targets.
- Maintained accurate digital records, updated spreadsheets, and ensured data integrity.
- Provided customer support through email and chat, resolving inquiries promptly and professionally.
- Ensured compliance with company guidelines, standards, and procedures while consistently delivering excellent service.
- Applied problem-solving and decision-making skills to address urgent requests and operational challenges effectively.

Key Accomplishments

- Successfully managed daily operations in a fast-paced retail environment, ensuring smooth workflow and consistent customer satisfaction
- Supervised, trained, and guided employees resulting in improved performance and stronger teamwork.
- Monitored sales performance and implemented strategies achieving 100% of the total daily targets
- Significantly managed inventory control, stock monitoring, and ensured product availability
- Maintained accurate records and organized spreadsheets that supported efficient business operations.
